

MUEF THANKS COMMUNITY FOR SUCCESSFUL SPOOKY RUN AND ANNOUNCES UPCOMING EVENTS

Spooky Run

MUEF would like to thank all of our runners and volunteers for making the Third Annual Spooky Run such a success. With over 225 registrants and 200 participants between the 5K and Junior Goblin races, we were able to raise over \$2,300! Race results and photos from the day are available at muef.org.

Thank an Educator

MUEF invites you to honor those educators and staff members who have made or are currently making a difference in your child's life by participating in the Thank an Educator donation program. The educator will receive a letter acknowledging your gift to MUEF in their honor. Forms are available at https://www.muef.org/uploads/1/1/7/4/117445978/thank_an_educator_flyer.pdf.

About MUEF

MUEF has the power to change the lives of each and every student in the Mendon-Upton Regional School District by serving as the motivational and financial catalyst for educators to re-imagine education. Programs like the ones we fund allow educators to provide new types of innovative and creative learning opportunities to students, with the goal of ensuring that all students in our district thrive as they develop the necessary skills to become mindful learners, effective communicators, skillful collaborators, solution seekers, inspired innovators and active global citizens.
